Table of contents

1. Context diagrams
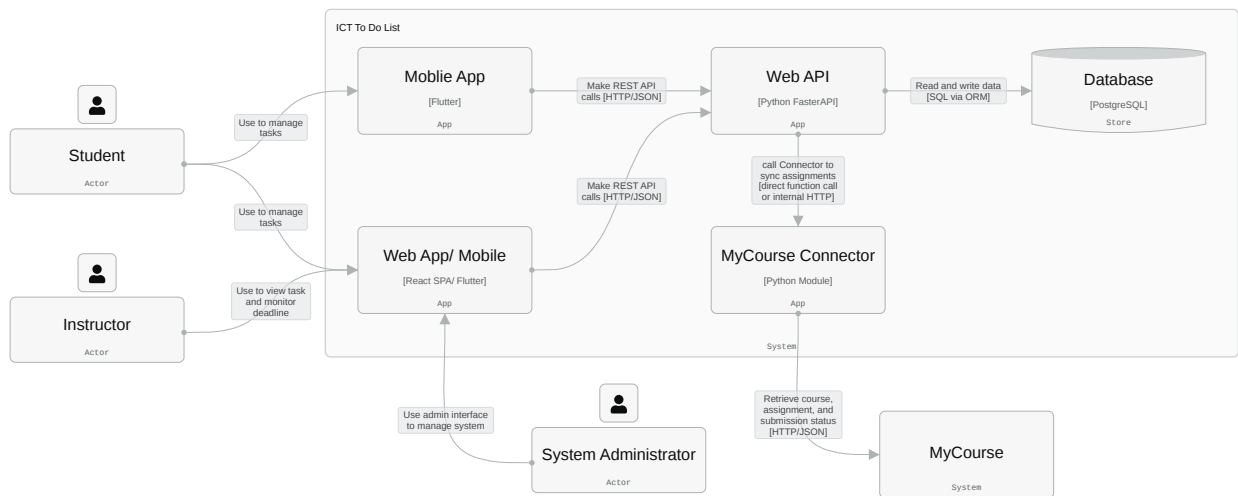

1.1. Context Diagram

Context diagram in the Default domain domain.

2. App diagrams
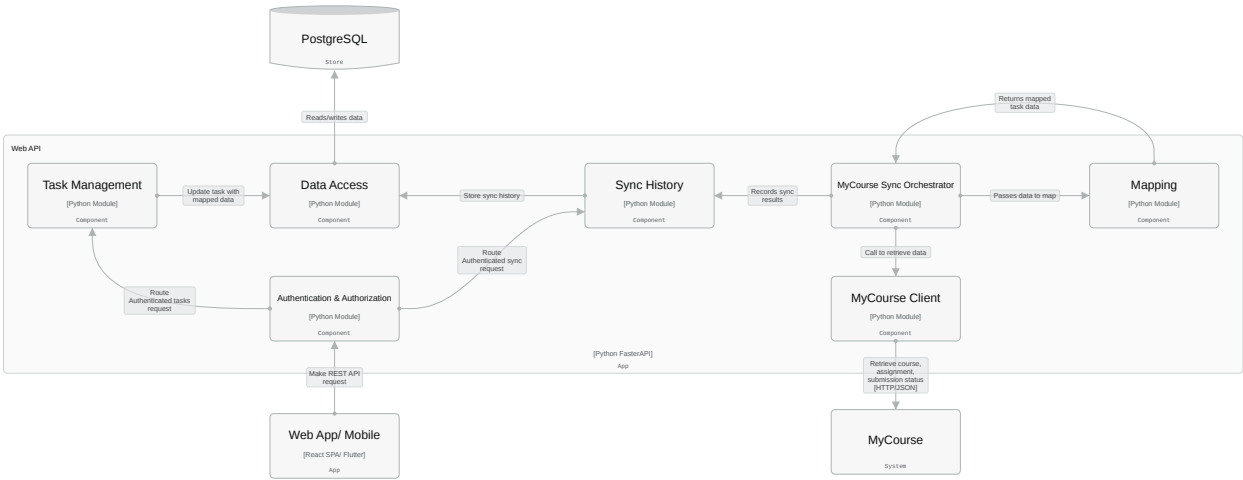

2.1. ICT To Do List App Diagram

ICT To Do List app diagram in the Default domain domain.

3. Component diagrams

3.1. Web API Component Diagram

Web API component diagram in the Default domain domain.

4. Actors

4.1. Instructor

Internal actor in the Default domain domain.

Status: live

In diagrams:

- [Context Diagram](#)
- [ICT To Do List App Diagram](#)

4.2. Student

Internal actor in the Default domain domain.

Status: live

In diagrams:

- [Context Diagram](#)
- [ICT To Do List App Diagram](#)

4.3. System Administrator

Internal actor in the Default domain domain.

Status: live

In diagrams:

- [Context Diagram](#)
- [ICT To Do List App Diagram](#)

5. Systems

5.1. ICT To Do List

Internal system in the Default domain domain.

Status: live

In diagrams:

- [Context Diagram](#)
- [ICT To Do List App Diagram](#)

5.2. MyCourse

Internal system in the Default domain domain.

Status: live

In diagrams:

- [Context Diagram](#)
- [ICT To Do List App Diagram](#)

- [Web API Component Diagram](#)

6. Apps

6.1. Moblie App

Internal app in the Default domain domain.

Status: live

[Flutter]

In diagrams:

- [ICT To Do List App Diagram](#)

6.2. MyCourse Connector

Internal app in the Default domain domain.

Status: live

[Python Module]

In diagrams:

- [ICT To Do List App Diagram](#)

6.3. Web API

Internal app in the Default domain domain.

Status: live

[Python FasterAPI]

In diagrams:

- [ICT To Do List App Diagram](#)
- [Web API Component Diagram](#)

6.4. Web App/ Mobile

Internal app in the Default domain domain.

Status: live

[React SPA/ Flutter]

In diagrams:

- [ICT To Do List App Diagram](#)
- [Web API Component Diagram](#)

7. Stores

7.1. Database

Internal store in the Default domain domain.

Status: live

[PostgreSQL]

In diagrams:

- [ICT To Do List App Diagram](#)

7.2. PostgreSQL

Internal store in the Default domain domain.

Status: live

In diagrams:

- [Web API Component Diagram](#)

8. Components

8.1. Authentication & Authorization

Internal component in the Default domain domain.

Status: live

[Python Module]

In diagrams:

- [Web API Component Diagram](#)

8.2. Data Access

Internal component in the Default domain domain.

Status: live

[Python Module]

In diagrams:

- [Web API Component Diagram](#)

8.3. Mapping

Internal component in the Default domain domain.

Status: live

[Python Module]

In diagrams:

- [Web API Component Diagram](#)

8.4. MyCourse Client

Internal component in the Default domain domain.

Status: live

[Python Module]

In diagrams:

- [Web API Component Diagram](#)

8.5. MyCourse Sync Orchestrator

Internal component in the Default domain domain.

Status: live

[Python Module]

In diagrams:

- [Web API Component Diagram](#)

8.6. Sync History

Internal component in the Default domain domain.

Status: live

[Python Module]

In diagrams:

- [Web API Component Diagram](#)

8.7. Task Management

Internal component in the Default domain domain.

Status: live

[Python Module]

In diagrams:

- [Web API Component Diagram](#)
